WHAT INFORMATION DOES EXUPERY INTERNATIONAL SUMMER SCHOOL COLLECT? HOW? WHY?

Website usage

You can visit EISS website without telling us who you are or revealing any personal information about yourself. The only information we gather during general browsing aside from the IP address is mostly anonymous traffic data including browser information, device information, and language.

Collection of personal data

While you can use our website without giving out your personal information, once you press “Apply now” (<https://summerschool.exupery.lv/apply-summer>) on the EISS website you will be asked to provide personal information. The information you provide (information such as title, your name, surname, email address, country, phone number) or in case you press “Contact me” (information such as your name, email, phone) will be processed and stored so that it is possible for us to contact and respond to your request, and/or allow you access to our services. The information is collected only with your knowledge and permission, and is kept in various EISS database and mailing lists.

EISS informs that it uses services of following data related service providers:

- NetApp Storage – data storage system (<https://www.netapp.com/us/legal/privacypolicy/index.aspx>);
- Windows Server 2012 (<https://privacy.microsoft.com/en-US/privacystatement>).

Information from other sources

EISS might receive information about you from other sources (for example, face-to-face meeting etc.). In addition, you may provide us with your personal data by corresponding with us by email, mail, phone or otherwise. Before the information is added into the various EISS database and mailing lists you are requested to give your explicit consent.

Job applications

Where an application is made for employment in EISS (<https://form.jotformeu.com/90312428858360>), the information you provide (information such as your name, surname, gender, age, current city etc.) will be processed and stored so that it is possible for us to assess your profile in purpose of a job opportunity in EISS. The data will be stored in an electronic database, and this information will be kept 6 months.

Photography and Video

EISS reserves the right to use any photographs, art work, etc, of its customers and the Summer school participants on its website and in any of its future publications, only if the customer agrees in written by signing and appendix to the Participation agreement.

HOW DOES EXUPERY INTERNATIONAL SUMMER SCHOOL USE THE COLLECTED INFORMATION?

EISS Browser Cookies to improve our service, user experience and analyze how the website is used. The information gathered anonymously during general browsing is used to provide an overview of how people are accessing and using the EISS website and EISS does not use it for any additional purpose (e.g., profiling, marketing, etc.).

EISS uses your personal data to contact you:

- For our own internal records
- To inform you by sending a newsletter, documents or any other relevant resource.

INFORMATION SECURITY

EISS cares to ensure the security of your personal data: we do not sell or share any personal data to any third party except when it's necessary to complete EISS functions.

Personal data is not used in ways other than as set forth in this privacy policy or in ways to which you have explicitly consented.

EISS staff who have access to, and are associated with the processing of personal data, are obliged to respect the confidentiality of official business matters, including personal data.

EISS website is secure, encrypted, and professionally managed to the highest standards. All necessary measures are taken to protect personal data against theft or compromise according to industry practices.

The EISS website provides features plug-ins for EISS social media pages (i.e., Facebook, Instagram, Youtube). Once clicked upon, you will be taken to different websites with their own specific privacy policies you are recommended to consult. EISS is not responsible for the privacy practices or the content of such sites.

INFORMATION SHARING AND DISCLOSURE

We do not disclose your personal data except in the limited circumstances described here:

- User Consent or Direction: we may share or disclose your information upon your request/consent;

- Legal process or enforceable governmental request: we may share or disclose your information to comply with a law, regulation, legal process, or governmental request;
- We may share or disclose your information to detect, prevent, or otherwise address fraud, security or technical issues;
- Non-personal, anonymized, aggregated data: we may share or disclose this information as part of a project, research, collaborative, etc. that serves the EISS business.

INFORMATION CORRECTION & DELETION

Providing personal data on the EISS website is optional. You can choose not to provide personal data; this will allow you to browse and use the EISS website, but you will not be able to carry out certain actions (e.g., online application.).
